Experience Is The Key

Recreation Resource Management has 15 years of experience managing public recreational facilities. Currently, we manage over 175 properties in 11 states under contract to government agencies including the US Forest Service and Arizona State Parks.

We have experience managing and maintaining a broad range of resources and facilities, including:

- Campgrounds
- Marinas
- Day use facilities
- Scenic view areas
- Public Beaches
- Stores and Gift Shops
- Boat rentals

Well-Trained, Professional Employees

As a service company, RRM is only as good as its employees. As a result, we spend a lot of time and effort making sure that each one of our more than 500 managers, park hosts, and maintenance specialists are well trained in:

- Revenue collection, cash management, and fraud control
- Maintenance and repair
- Emergency response, security, and law enforcement
- Customer interaction and dispute resolution
- Water quality, safety, and environmental protection

RRM is an equal opportunity employer.

Willingness to Invest

Over the past 15 years, RRM has invested over \$2 million in vehicles, carts, uniforms, and tools to support the facilities we manage. All of our vehicles are painted with the company logo and maintained in excellent condition so that our customers. When on duty, our employees are always easily identified in their company uniforms.

World-Class Management Process

Over the Past 15 years, RRM has worked to embody its knowledge about recreation management into a set of well-defined processes we can communicate to each employee.

Results

- We help government agencies keep recreation facilities open in a time of dwindling recreation budgets
- We provide the public with a first-class recreation experience
- We maintain the facilities we manage to the highest standards, and project an image of strong professionalism
- We protect the environment and help recreators and nature live in harmony
